Volunteer Opportunity

The FES art department is looking for volunteers! Next fall, Fulton will be hosting an Artist-In-Residence. Fourth and fifth grade artists will be working with a local fiber artist to create both an individual and collaborative weaving.

We are looking for adult volunteers to help prepare student looms and roll balls of yarn. Think you might be interested? Mrs. Stroter will be hosting a short training session later in May. All prep is transportable and can be done during a summer road trip, or in the comfort of your own home. If you think you might be willing to help assist this spring or during the summer months, please email Mrs. Stroter at monica_stroter@hcps.org

We are also in need of yarn donations for this exciting event. Please reach out to Mrs. Stroter if you have some to donate. Thank you in advance!

2nd Grade News

Team Two is busy researching animals, working on opinion writing and learning what it takes to be great citizens. Our trip to the zoo was just the motivator our students needed. Wait until you see the final projects. Ask your child all about opinion writing and what is needed to make a great piece. Our kiddos have become incredible writers. We've decided that being a great citizen comes down to two words.....BE KIND!!!! Every single FES second grader is an AWESOME citizen if that's the case. Don't forget to put the Falcon Follies on your calendar for this Friday. Our team has a huge surprise. You don't want to miss it! If you are planning on coming, please encourage your child to wear RED. As always, thank you for supporting team two!

The second grade will be visiting the Fire Safety House on Monday, May 21, Tuesday, May 22 and Thursday, May 24, 2018. Ask your child what they learned about fire safety!

From the Bully Busters!

We are excited that our Buddy Bench is being enjoyed by all at recess. We hope that all students feel included and happy at recess at Fulton Elementary School. Here is a reminder about the rules of the Buddy Bench:

Buddy Bench Rules

If you're sitting on the bench, play with the first classmate who invites you.

While you're sitting on the bench, look around for a game you can join.

Two friends sitting on the bench can turn to each other and invite each other to play.

The bench isn't for socializing. Only sit there if you can't find anyone to play with.

When you see someone on the bench, ask that person to play with you.

Keep playing with your new friends!
